VIDEO SAMPLE

VIDEO SAMPLE

Please note that for 2016 we are no longer accepting DVDs. Work samples can be no longer than 6 minutes. If you'd like to submit a full film or more video material in addition to your 6-minute sample, you may include a 2nd online link in the "Additional Supporting Video Material" field below. You must include a password protected link with your video samples (all samples in one timeline, so one link per project).

Link to 6-minute or less Work Sample **https://vimeo.com/user6277083/mutt_afs2016**

Naming convention for video samples: In "Advanced Options"-> "Custom URL" you can create a custom URL for your Vimeo file. Please use the following naming convention: /NameOfFilm_AFS2015. For example: www.vimeo.com/Slacker_AFS2015

Video Password 

Describe below what you have submitted as your video sample. Include details such as what the submitted project is, how it relates to the proposed project applying for funding, what production team members are shared.

The first clip in the linked video is an excerpt from a research documentary made by Katie and Andrew profiling a homeless man's relationship with his dog. They met Bobby (and Poopsie) through their work with a non-profit animal service and he has been acting as a consultant on the project. The second is a scene from their feature film directorial debut, ZERO CHARISMA.

Sample represents **Previous work directed by applicant**

You may submit more film work as additional supporting material. This additional material does not have a time limit and can be a full feature film or short. Include a link to this material below.
