INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying consolidated financial statements of Film Society of Austin, Inc. d.b.a. Austin Film Society and Film Society of Austin Theater, LLC d.b.a. AFS Cinema (AFS), which comprise the consolidated statement of financial position as of 31 August 2021, and the related consolidated statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of AFS as of 31 August 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited AFS's 31 August 2020 consolidated financial statements, and we expressed an unmodified opinion on those audited consolidated financial statements in our report dated 12 February 2021. In our opinion the summarized comparative information presented herein as of and for the year ended 31 August 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1: ORGANIZATION

Incorporated under the State of Texas Non-Profit Corporation Act in 1986, Film Society of Austin, Inc. d.b.a. Austin Film Society (AFS) was established by a group interested in screening important films from around the world that would not otherwise be shown in Austin. From the outset, AFS has presented programs within an artistic and cultural context. AFS exists to promote the appreciation of film and to support creative media production.

AFS is organized exclusively for charitable and educational purposes and for lessening the burdens of government, including for such purposes, the making of distributions to organizations that qualify as exempt organizations under section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future federal tax code. Without limiting the foregoing, these purposes may be accomplished through educating the public as to the virtue and rewards of viewing classic, international and rarely seen films and multimedia productions; educating the public as to the techniques of creating and distributing such films; and supporting creative filmmaking by providing equipment, facilities, grants, scholarships, fiscal sponsorship and the like.

In May 2016, AFS signed a long-term lease with The Linc and opened the AFS Cinema, a full-time two-screen movie theater. The AFS Cinema brings exhibitions to a local audience. It also hosts a lobby bar, concessions, and event hall to support community gatherings and supplement ticket sales.

AFS created Film Society of Austin Cinema, LLC d.b.a. AFS Cinema, a single-member LLC, to develop and hold the Cinema property. The IRS considers this corporation a "disregarded entity" and as such, is not required to file a tax return separate from AFS. The AFS Cinema is under the same management and Board of Directors as the Film Society. The financial statements of AFS and Film Society of Austin Cinema d.b.a. AFS Cinema have been consolidated. All intercompany transactions have been eliminated.

AFS conducts the following programs:

AFS Cinema - This program focuses on exhibiting contemporary global cinema, classic masterpieces by well-known auteurs, U.S. and international independent works, repertory series, documentary films of great importance and experimental films that push the boundaries of content and expand film language.

Filmmaker Support - AFS provides professional development services to filmmakers including fiscal sponsorship, educational workshops, networking events and works-in-progress screenings. AFS raises and distributes cash funds and in-kind support services to emerging film and creative media artists from across Texas through the annual AFS Grant program.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1: ORGANIZATION

Community Media - AFS provides support for mediamakers to create content and diversify the media landscape. AFS offers low- and no-cost training and access to equipment, facilities, and distribution opportunities via Austin Public, which is operated by AFS through a management contract with the City of Austin.

Texas Film Awards - The Texas Film Awards brings together legends of cinema and television and honors those who have contributed significantly to film culture and the industry at large. This program honors the best in Texas talent by inducting honorees into the Texas Film Hall of Fame. Due to the impact of the ongoing pandemic, this program was temporarily suspended.

Austin Studios - Austin Studios is a creative media production facility operated by AFS through a lease with the City of Austin. Austin Studios serves as a production base for feature films, commercials, music videos, and short-form content. The facility also provides mediamakers with the infrastructure to get their films made and grow their businesses.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

AFS uses the accrual basis method of accounting. Using this method of accounting, revenue and accounts receivable are reported when funds are considered earned, regardless of when cash is received. Expenses and accounts payable are reported when obligations are incurred, regardless of when cash is disbursed.

FINANCIAL STATEMENT PREPARATION

Net assets are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. These result from rental income, admissions, concessions, membership dues, and other operating revenues and unrestricted contributions, less expenses incurred in operations to raise contributions and for administrative functions.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Net Assets With Donor Restrictions

Net assets subject to donor (or certain grantor) imposed restrictions. Some donor imposed restrictions are temporary in nature, such as those that will be met by passage of time or other events specified by the donor. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Donor imposed restrictions are released when the restriction expires, which includes when the stipulated time has elapsed, when the stipulated purpose for which the restricted resource has been fulfilled, or both.

FIXED ASSETS

Fixed assets are capitalized at cost if the value of the item is more than \$5,000 and the estimated useful service life of the item is more than one year. Donations of fixed assets are recorded as support at their estimated fair value at the date of donation. Depreciation is computed over the estimated useful service life of the asset (generally 5 to 10 years) using the straight line method.

INVESTMENTS

Investments consist of mutual funds carried at fair value.

RECEIVABLES

Unconditional grants and contributions are recorded as revenue and receivable at fair value on the date of the award. AFS earns revenue from cost-reimbursement grants when expenses are incurred in performance of the grant contract.

Rental income is recorded as revenue and receivable at the beginning of each month within the tenant's lease term. Amounts are considered past due in accordance with lease agreements.

Uncollectible receivables are provided for using the allowance method of accounting for bad debts, whereby a provision for uncollectible accounts is charged to expense. This estimate is based on management's experience with tenants, individual grantors and donors. AFS considers all receivables to be fully collectible; accordingly, no allowance for doubtful accounts has been recorded.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

CONTRIBUTIONS

Contributions received are recorded as support with donor restrictions or without donor restrictions depending on the existence and/or nature of any donor restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions upon expiration of time or purpose restrictions.

RENTAL INCOME AND SECURITY DEPOSITS

AFS rents studio space to filmmakers for the production of movies. AFS requires security deposits from film companies renting studio space. These deposits are recorded as a liability on the consolidated statement of financial position.

CONTRIBUTED GOODS AND SERVICES

Contributed services that create or enhance non-financial assets or that require specialized skills, which are provided by individuals possessing those skills, and which would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received. Contributed goods are recorded at their fair value in the period received.

CONTRACTS WITH CUSTOMERS

Revenue from contracts with customers is derived from admissions, concessions, and fees for services. Tickets for theater admission and the related concession sales are recognized as revenue at a point in time, upon purchase because AFS's obligation is generally fulfilled on the same day. Fees for service revenue which is primarily derived from classes and studio tours are also recorded at a point in time, upon purchase because the classes and tours occur upon sale. Payment is due upon purchase which does not give rise to any contract receivables, contract assets, contract liabilities, or any variable considerations or other related obligations. Memberships are considered contributions because they are not considered to have an exchange element.

FEDERAL INCOME TAX

AFS is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, except to the extent it has unrelated business activities. As such, no provision for federal income taxes has been made in the accompanying consolidated financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

SUBSEQUENT EVENTS

AFS has evaluated subsequent events as of the date of the Independent Auditor's Report, the date the consolidated financial statements were available to be issued.

FUNCTIONAL ALLOCATION OF EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Expenses are allocated based on estimates of personnel time and management's review and analysis of individual transactions and costs. Expenses that are allocated are salary & fringe, equipment purchases, program expenses, maintenance and repair, utilities, professional fees, depreciation, network and systems, marketing and publicity, and other.

MEMORANDUM ONLY TOTALS

The financial statements include certain prior-year summarized comparative information in total, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with AFS's consolidated financial statements for the year ended 31 August 2020, from which the summarized information was derived.

NOTE 4: NET ASSETS DESIGNATED BY BOARD OF DIRECTORS

AFS has received contributions without donor restrictions that have been designated by the Board of Directors as the Artistic Fund, which will seed projects and be replenished as part of each project. The Board of Directors has also designated a portion of the AFS Grants Program Fund, the Operations Fund, and the Harrison McClure Endowed Film Fund. The designated portion is calculated as the accumulated increase, if any, in the Consumer Price Index for All Urban Consumers over the balance restricted by donors to be held in perpetuity in each fund from 1 January 2007.

Designated for Endowment	\$182,392
Designated for Artistic Fund	31,033
	\$213,425

NOTE 5: CONTRIBUTED FACILITIES

AFS leases its facilities from the City for \$100 a year. The fair value of the use of this property cannot be reasonably determined; therefore, no amounts have been recognized for contributed facilities in the consolidated statement of activities. On 30 November 2014 the City extended the lease agreement to 21 July 2034 and there are two additional extensions to the lease for twenty-five years each at AFS's option.

NOTE 8: ENDOWMENTS

AFS's endowment consists of three funds 1) the AFS Grant Program Fund, 2) the Operations Fund, and 3) the Harrison McClure Endowed Film Fund. The endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. Net assets associated with the endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of AFS has interpreted the State Prudent Management of Institutional Funds Act as requiring the preservation of the historic value of the original gift as of the gift date to the donor-restricted endowment fund due to explicit donor stipulations. As a result of this interpretation, AFS classifies as permanently restricted net assets (a) the historical value of the gift donated to the permanent endowment, and (b) the historical value of subsequent gifts to the permanent endowment. The remaining portion of the donor-restricted endowment

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 8: ENDOWMENTS

fund not classified in permanently restricted net assets is classified in temporarily restricted net assets until those amounts are used for the intended purpose.

The Board of Directors has established the amount available for distribution for the AFS Grant Program Fund and the Operations Fund in any calendar year is unrestricted for use, in the amount by which the funds, after deduction of any fees or expenses, exceed the "Base." The Base is defined as the amount that was in the fund as of 1 January 2007 (\$248,246) as increased each calendar year by the increase, if any, in the Consumer Price Index for All Urban Consumers.

The amount available for distribution for the Harrison McClure Endowed Film Fund in any year is the amount by which the asset value of the fund after deduction of any fees or expenses exceeds \$60,000 plus the increase in the Consumer Price Index for All Urban Consumers since 1 January 2017.

NOTE 18: ADOPTION OF NEW ACCOUNTING STANDARD

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2014-09, "Revenue from Contracts with Customers (Topic 606)". The ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance in U.S. GAAP. The ASU also required expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. AFS adopted the new standard effective 1 September 2020, using the modified retrospective approach. Because contract modifications are minimal, there is not a significant impact as a result of this election. Analysis of various provisions of this standard resulted in no significant changes in the way AFS recognizes revenue, and therefore no changes to the previously issued audited financial statements were required on a retrospective basis. The presentation and disclosures of revenue have been enhanced in accordance with the standard.

NOTE 20: COST-REIMBURSEMENT GRANTS

A significant portion of AFS's revenue is derived from cost-reimbursement government grants, which are conditioned upon the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when AFS has incurred expenditures in compliance with specific contract provisions. Cash amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. There were no refundable advances at year-end. AFS has been awarded cost reimbursable grants of \$509,042 that have not been recognized as revenue at 31 August 2021 because qualifying expenditures have not been incurred.
